

Bareroot Vegetables and Bareroot Fruit in stock April 9, 2020

The store opens for the season on April 9th. We plan to open up much of the outside area for in-person shopping in early May. Until such time please come to the parking lot and we will take your order at the gate. We will not be doing online orders this year as 50% of orders were not picked up last year. If you wish to pre-pay any items on this list then please email orders@makeitgreen.ca or phone the store at 613 599 3419 to make arrangements.

As we won't be spending thousands of hours processing and collecting online orders we will be able to better serve you at the store with expanded hours in the busier times. We also plan to post frequent inventory updates.

We don't anticipate receiving any more product in this category (although we did order more) so there is no point in you asking us for bareroot veggies or fruits that are not on this list (at least not for this year). Happy Gardening!
